Hi Steve,

I'm finished with up the other release I was working on getting out, so I'm starting on the Greka release now. I know you said you're super busy ... would you mind if I silently sat in on your 2:30 conference call, to extrapolate the info I need for the release?

Let me know.

Thanks,

Greg -

Got your phone message and your interest in a followup call to discuss the Greka oil spill issue and to share some questions from the Congresswoman. I spoke with Steve Calanog, Chief in our Emergency Response Section and he is available for a teleconference after 2:30pm today, so please let me know if you would be available at that time, or if not, some other time later this afternoon.

I look forward to hearing back from you at your earliest convenience.

Regards,

Brent
